Info for organizers

Note 1: Registration will be open until 31-May-2011. Your registration will be confirmed by an email within 2 working days after registration. You must print the PDF attachment of that email and present it to the security check at the Borschette Conference Centre.

Note 2: If you are volunteer for a presentation, you will receive another email by the end of May 2011 that informs you if your presentation has been added to the workshop programme. This depends on suitability of the presentation and capacity of the programme.

Note 3: If you choose "Representing a candidate platform to participate in porting projects" and don't register for making its short presentation, then please use the "Info for organizers" box to indicate which platform you are representing and who is going to register (or has registered) for the related short presentation in the workshop.
